

Leading Supplier of Electronic Components

Electronic, Parts and Specialty Items

About our Business

Aegis Components Inc. is a technology company specializing in the distribution of electronic and electrical components. We are an experienced, trustworthy and service-oriented distribution partner that provides complete distribution solutions. Our company currently services clients in Europe, Asia and the Americas.

- ▶ **Technology-centered**
- ▶ **Franchise-focused purchasing**
- ▶ **ISO 9001:2015**
- ▶ **ITAR registered business**
- ▶ **Stocking distributor**
- ▶ **Authorized and independent lines**
- ▶ **Quality Assurance Program**

Cost Reduction Programs

Based on our non-traditional sourcing and ability to offer diverse options that meet your price point we can reduce your costs on many items.

BOM Support

Our diverse vendor base allows us to offer excellent support for your BOMs – including lead time and spot buy support.

Lifecycle Management

Our lifecycle mgmt. support will alert you when product changes or revisions are planned, allowing you to make educated stock management decisions.

Obsolescence Support

We are experts in finding obsolete and EOL items but can also assist in finding suitable substitute items for you.

Shortage Support

Through our network of approved vendors we can support your business in critical times.

We Provide Cutting Edge Technologies Quality Solutions That Empower Our Customers

Supply Chain Services

► Blanket Purchase Agreements

We offer scheduled shipments, stock inventory and flexible shipping schedules for each customer.

► Long-term supply programs

Our dynamic company structure allows us to tailor long-term supply agreements to each individual customer.

► Multiple Warehousing Options

We can ship from any of our warehouse locations to your preferred location, giving you the peace of mind of knowing when and where you will receive your product.

► Excess Management

We offer several options to manage excess – non-consignment marketing, line items buys, full consignment.

► Testing and Value-Add Services

We work with well-known testing facilities all around the world to ensure the quality of your parts and offer testing per your requirements.

Example of our Electronic Products

Adapters	Motors
Cables	Optocouplers
Capacitors	Passives
Chokes	Potentiometers
Circuit breakers	Power connectors
Coils	Power Management IC
Converters	Rectifiers
Crystals	Relays
Discretes	Resistors
Electromechanical	Rheostats
Encoders	Semiconductors
Filters	Sensors
Fuses	Steam Air Hot Water Solutions
IGBT	Switches
Indicators	Terminal Blocks
Inductors	Terminals
Integrated Circuits	Thermistors
Interconnects	Transformers
LCD/LED Displays	Transistors
Memory	Trimmers
Microcontrollers	Varistors
MOSFETs	Wire and more...

Quality is Constant

MFR Direct & Franchised Purchasing

► Our Mission

Aegis Components' company philosophy is based on providing the best quality in electronic components available, while offering the best price and lead time to our customers. Our flexible company structure and customer-first approach enables us to expand our manufacturer portfolio constantly.

Our procurement efforts are supported by an extensive network of manufacturers and authorized distributors worldwide. Through our network, we have access to thousands of manufacturers and distributors and we are proud to present the below highlights of some of our direct and franchise procurement channels.

For more information and any requirement, please contact your dedicated sales representative.

Our MFR Direct product lines

Many more lines available!

Our Leading Electronic Manufacturers

List of Major Supply Partners

3M	Eupec / Infineon	Lattice Semiconductor	Panduit	Sony
Abracon	Everlight	Lelon	Pericom / Diodes	SOURIAU
Actel	Exar	LG Innotek	Phoenix Contact	Spanion / Cypress Semi
Adesto Technologies	Fairchild / On Semi	Linear Technology / ADI	Phycomp / Yageo	Stewart Connector / Bel
Advice Electronics	FCI	Lite-On	Piher / Amphenol	ST Micro
Alcoswitch	Finisar	Littelfuse	Plessey Semiconductor	Sunbrite
AKM Semiconductor	Freescale / NXP	LTW / Amphenol	PLX technology	Supertex
Alliance Memory	FTDI	Lumberg	Powerex	Susumu
Allegro Microsystems	Fujitsu	MACOM	Power Integrations	Switchcraft
Altera / Intel	Futaba	Magnecraft	Preci-Dip	Taiwan Semiconductor
Amphenol	Grayhill	Mallory	Pulse Electronics	Taiyo Yuden
ams	Greenliant	Maxim Integrated	Qorvo	TDK Corporation
Analog Devices Inc.	Greentech	MaxLinear	Qualcomm	TDK - Lambda
Artesyn Embedded Power	GSI Technology	Maxwell Technologies	Qualtek Electronics	TE Connectivity
ASI Semiconductor	Hamlin	MCC	Radiall	Teledyne Relays
AVX	Hammond	Meanwell	Ramtron	Texas Instruments
Axicom / TE	Hirose	Melexis	Raychem / TE	Tokin
Bel Group	Hitachi Semiconductor	Micrel / Microchip	RECOM	Toko
BI Technologies / TTI	Holtek Semiconductor	Micro Switch	Rectron	Torex Semiconductor
Bluetechnix	Honeywell	Microchip	Renesas Electronics	Toshiba
Bosch	Hyundai	Micron Technology	RFM	Toshiba Memory
Bourns	IBM Semiconductor	Micronas / TDK	Ricoh Electronic Devices	TRACO Power
Broadcom	IDT	Micro Power Direct	Rockwell	TriQuint Semiconductor
Bussmann / Eaton	Illinois Capacitor	Microsemi / Microchip	Roederstein / Vishay	TT Electronics
C&K Switches	Infineon	Mini-Circuits	ROHM	TXC
Chinsan Electronics / Elite	Intel	Mitsubishi Electric	Rubycon	United Chemi-Con
CDM Electronics	InterFET	Molex	Samsung Electromechanics	VCC
Cherry / On Semi	Intersil	Monolithic Power (MPS)	Samtec	VIA Technologies
Cirrus Logic	Invensense / TDK	Murata	Samxon	Vicor
Cornell Dubilier (CDE)	IRC	Murata Power Solutions	Samyoung	Vishay
Cree	ISSI	National Semiconductor / TI	Sandisk	Vitramon / Vishay
Crouzet	ITT Cannon	NEC Relays	Sanken	Voltronics
Crydom	IXYS / Littelfuse	NEC - Tokin / Kemet	Sanyo Denki	Walsin
CTS Electronic Components	JAE	Neutrik	Sanyo Semiconductor	WeEn Semiconductor
CUI Inc	JKL Components	Nexperia	Seiko Instruments	Welwyn / TT Electronics
Cypress Semiconductor	Johanson Dielectrics	Nichicon	Semikron	WIMA
Delphi	JRC / NJR	Nippon Chemi-Con	Semtech	Winbond
Delta Electronics	JST	NJR	Sensata	WolfSpeed / Cree
Deutsch	Kemet	NKK Switches	Seoul Semiconductor	Woodhead
Dialight	Keystone	NorComp	Sharp Micro	Würth
Diodes Zetex, Inc	Kingbright	Nordic Semiconductor	Shindengen	Xicor
Diptronics	KJ Electronic	Novacap	Silicon Labs	Xilinx
Eaton	Knowles	NXP	SINE Systems	XP Power
ECC	KOA Speer	Ohmite	SiTime	Yageo
Elite Capacitors	Kycon	OKI Sensor Devices	SK Hynix	Yamaha
